Dear Parents

I extend my warm greetings to you as respective parents of your child/children in our Group of schools. I earnestly appreciate your interest to provide “THE BEST” in everything to your child and in particular, education which delivers the values and virtues of healthy social living. As you are aware, “Knowledge Based Society” leads to faster economic growth in our country, all our academic policies and programmes are designed to cater them.

A well-structured curriculum complemented with an adequate dose of co-curricular and extra-curricular activities will motivate your child/children to enhance the knowledge through out their schooling. The uniqueness you to create in your child/children’s character by admitting him / her/ them in our group of schools will be provided as discipline is emphasized at all levels.

I welcome your ward as a prospective “Krishnaswamy”!

Shri Gurubhyonamaha

It is my immense pleasure and privilege to be a part of this esteemed institution for extending my role in empowering and motivating multifaceted development of students where each opportunity for the student is moulded to reach the goal of achieving the holistic education as a successful learner in a safe and nurturing environment.

I am very happy to share the E-Magazine that will be released at the end of each term which highlights the activities, celebrations and achievements of our students. True education is a combination of intelligence and character which guide one's life in right path to face the future challenges.

The vision and mission of our school is to provide student centric learning environment with modern teaching methodology by keeping pace with ongoing innovations.

As Principal, I would ensure to build a caring environment where students are encouraged to work to their own potential with a challenging and interesting curriculum in the pursuit of excellence under the abled guidance and constant support of the Management, where students success is acknowledged and celebrated to reach greater heights.

The foundation of a successful schools is always the cooperation between the students, staff and parents. We pay our gratitude for their fullest cooperation at all the times. Grab all the right opportunities in nurturing your skill sets which in turn will help you to grow exponentially in the academic career.

I wish to see each one of you coming out with flying colors and resounding success in your lives.

Wish you all the best. Thank you.

Krishna Jayanthi is a festival of commemorating the birth of Lord Krishna, one of the most powerful and famous reincarnations of Lord Vishnu. To seek the blessings of Lord Krishna, Krishna Jayanthi was celebrated in our school premises on 4th of September with mirth and joy. Children came dressed in ethnic wear as Radha and Krishna. Special assemblies were conducted wherein the students swayed to the tunes of traditional songs.

TEACHERS DAY

Teachers Day was celebrated on 5th of September to commemorate the birthday of Dr. Sarvepalli Radhakrishnan. Students gave speeches and performed scintillating cultures like Skit, dance, and song.

HEALTH CHECK UP - Routine health screening of children at an early age is an important aspect of preventive potential health problems. Health check up was organised by Agarwal and Kaveri Hospitals for the classes LKG to Std XII on 4th of September.

VINAYAGA CHATHURTHI was celebrated on 15th September in a unique way. The celebration begins with pooja followed by arthi. As a part of celebrations a special assembly was organised in the school. Bhajans was sung in praising the existence of Lord Ganesha. The students performed an obeisance dance in the most exuberant music with colourful attire. The whole atmosphere was charged with festivity.

The collage consists of seven photographs arranged in three rows. The top row shows a teacher and students in a hallway, and a student presenting a project. The middle row shows three separate scenes of students reading or presenting. The bottom row shows a group of students and a teacher holding signs for a 'Science Fair'. One sign is in Tamil, and another is in English: 'Science Fair A Person's Sneeze Can Travel at a Speed of 100 miles per hour'. A watermark 'GY' is visible in the bottom left corner.
